

SO HOW TO REGISTER WITH OUR CO-BRANDING PROGRAM?

1 Step 1: Registration & Onboarding

Once you're ready to partner, your Brand registers with our Snatch onboarding team. We'll gather the basics and loop you into the magic.

2 Step 2: Vibe Check & Brand Alignment

Our Brand Identity (BI) team steps in next. We study your Brand's personality, culture, vibe and customer tone—everything from your playlist to your beverage art game—to craft cookie messages that genuinely fit in.

3 Step 3: Message Crafting

- ✓ No offensive or sensitive content
- ✓ No political/controversial quotes
- ✓ Uplifting, positive, and legally safe

Every message is designed to spark smiles, pride, and belonging at work.

4 Step 4: Approvals

Before any message goes live, our BI Team collaborates with Brand's marketing team to get pre-approval.

Every message batch is greenlit by you — ensuring alignment with your people-first goals.
